Book Details:

Review: I was excited when I saw that Victor Antonio had chosen to author a book on Artificial Intelligence for sales. No trend promises to disrupt and change the face of the sales industry more than machine learning and artificial intelligence. I think that makes Sales Ex Machina one of the most important sales books of 2018. Inside Sales Ex Machina youll...

Description: This is the first book to explore how Artificial Intelligence is changing the world of selling! We are about to experience the equivalent of a major tectonic shift where the functional plates of sales, marketing, and technology will shear and, in some cases, smash against one another. Functions that were once the domain of salespeople will be transformed,...
